FOR IMMEDIATE RELEASE
June 29, 2015

JEFF ISLER GOLF OPENS JUNIOR ATHLETIC GOLF ACADEMY

New 4,500 Sq. Ft. Golf Fun Zone in Southlake, TX

Southlake, TX, June 29, 2015— Jeff Isler Golf has launched the Junior Athletic Golf Academy (JAGA) for younger golfers from 6-12 years old. With the opening of its new 4,500 sq. ft. fully outfitted and air conditioned indoor training center, students will have the opportunity to develop athletically, build golf skills, and learn to love the game – all through a carefully designed teaching process.

“We have been actively working on this new concept for more than a year, and we’re confident that it will go a long way toward getting kids excited about golf and keeping them engaged for years to come.” explains Jeff Isler, President and Founder of Jeff Isler Golf.

The mission of the Junior Athletic Golf Academy is to build golfers the right way. Using the latest research from the Titleist Performance Institute and other industry experts, JAGA coaches teach and guide students through various stages of athletic development and skill acquisition required for future success in golf. Backed by years of experience, JAGA programs put young athletes on a better path to golf success.

“We are extremely pleased with the approach Jeff and his team have taken toward building our son’s athleticism and skill. With passion and fun, the JAGA program has helped Greyson develop a love for the game. In the highly competitive athletic culture of Southlake, Jeff’s team recognizes the important issues for young golfers.” – David Rhoades, Southlake resident and father of Greyson.

Jeff Isler Golf is a high-end coaching program for aspiring juniors, collegiate athletes, touring pros, and serious adult golfers. For additional information on Jeff Isler Golf programs, visit www.jeffisलगolf.com or call 817-488-8111.
